

Board Goals

2009-2010

The mission of the Burlington-Edison School District is to educate each student for lifelong success.

Student Achievement

The Board maintains its strong commitment to ensure that Burlington-Edison students exceed Washington State average performance on assessment measures and that the system is able to deliver the best possible instruction for every student.

District Continuous Improvement

The Board is committed to reviewing the implementation of the district's strategic plan and the aligned school improvement plans that are based on a continuous improvement process.

Strengthen Community Connection

The Board will continue its strong efforts to engage parents and the community in supporting high levels of student achievement.

Facilities

The Board will continue evaluating the student growth in the school district and facilities needs for the future.

Fiscal Planning

The Board will continue its commitment to implement responsible long-range fiscal planning that addresses the mission and vision of the district.
