

# Board Goals

## 2008-2009

### **Burlington-Edison students will exceed Washington state average performance on all measures in every subject area**

---

The Board maintains its strong commitment to ensure all students achieve academic success and that the system is able to deliver the best possible instruction for every student.

### **Facilities**

---

The Board will continue evaluating the student growth in the school district and the facilities needs for the future.

### **District Improvement Process**

---

The Board will appoint a committee to create a district strategic plan based on a continuous improvement process. The continuous improvement plans of each school in the district continue to be a high priority for the Board.

### **Strengthening Community Connection**

---

The Board will continue its strong efforts to engage parents and the community in supporting high levels of student achievement.
