**Holiday-Helping-Hands/Hearts/Gifts for L.U. families** - If you are able to help an L.U. family during this holiday season, please take a gift tag from the table near our office door. Purchase the gift listed on the tag, wrap the gift, attach the tag and return it to the L.U. office by Dec. 18<sup>th</sup>. Each year we (parents/students/staff) have been able to help a number of our families. We hope the same will happen this year. This is a wonderful opportunity to give cheerfully.

**Student Pick-up Time** – Please respect valuable class time at the end of the school day. Many students are being picked up 10-15 minutes early on a regular basis. Parents, we would like your help – please pick children up early only if the child needs to get to any appointment.)

**L.U. Holiday Program for K-2** – Enjoy a fun evening listening to our Kindergarteners, 1<sup>st</sup> and 2<sup>nd</sup> graders sing Holiday songs on Tuesday, December 19<sup>th</sup> at 7:00 pm. Our music teacher, Mark Wees, does an incredible job selecting songs and working with the children.

**"An Evening of Inventions"** - The ACTS program is presenting "An Evening of Inventions" on Tuesday, December 12<sup>th</sup> from 7:00 – 800 p.m. in the Lucille Umbarger Library. Inventions created by 5<sup>th</sup> grade ACTS students, from all five schools, will be on display.

**Booster Club Meeting on January 8<sup>th</sup>** – Join us on January 8<sup>th</sup>, at 7:00 pm, to hear "What's Really Happening in our Schools". David Asia, PHD (Substance Abuse Program Coordinator for Skagit Co. Human Resources) and Lyndie Case (Program Coordinator for Substance Abuse Prevention Programs at United General) will be here to talk about how to reduce underage drinking in our community and the Healthy Youth Survey.
