

2009-2010

SCHOOL

Hello Fifth Graders,

We look forward to the opportunity of having you in the fifth grade classrooms come September. As we begin a new school year you need to know that more will be expected of you. You will be asked to accept the added responsibilities of being in the fifth grade. We're confident that as a fifth grader you will be able to make it happen for yourself, your peers, and Edison School.

See you in September,

Ms. Castle and partner yet to be named.

Please feel free to give us a call.
We are here to work with you to
give your child a quality education.

BACK TO SCHOOL NIGHT
AUGUST 27, 2009

This fall we will be having a back to school night for the parents. This night is planned for August 29th. The 4th-6th grades will be involved. This is a parent's only meeting, and it will be the only meeting we will hold. We will discuss rules, policies, and classroom expectations. Each parent will be signing the internet release form, the field trip form, signing up for conferences, and signing up for volunteer hours. We will gather both classes in Ms. Castle's room at 6:30.

Edison Elementary School
