Jan. 17: 2-hour late start  
Jan. 17: B-E Bond information meeting at the B-EHS Library at 7:00 pm  
Jan. 23: Peace Makers Assembly @ 9:15

Dear West View Families,

We are continually working on our student improvement plan. One of our goals is to improve student math. We will be putting tips in the bi-weekly bulletin to aid you in helping your student with math skills. Below are some ideas that are fun and easy that you can do with your child.

Meagan Dawson, Principal  
West View K-8

### Math at Home: Math Tips for Families

Understanding Numbers: Numbers are used to describe quantities, to count, and to add, subtract, multiply, and divide. Understanding numbers and knowing how to combine them to solve problems helps us in all areas of math.

**Count everything!** Count toys, kitchen utensils, and items of clothing as they come out of the dryer. Help your child count by pointing to and moving the objects as you say each number out loud. Count forwards and backwards from different starting places. Use household items to practice adding, subtracting, multiplying, and dividing.

**NO SCHOOL  
MONDAY, JANUARY 15  
Martin Luther King Day**

## 2-HOUR LATE START WEDNESDAY, JANUARY 17

*Please come to school 2 hours later than the normal time for your child. Busses will come to your house 2 hours later than the regular time.*

The **BURLINGTON-EDISON SCHOOL DISTRICT** will be hosting two community meetings to provide citizens with the opportunity to learn more about the specific details of the district running a bond election in April as follows: **January 16 and January 17 at 7:00 p.m. in the Burlington-Edison High School Library.** School board members; Superintendent, Rick Jones; Facilities Study Committee Chairperson, Bill Wallace; and district consultants will be available to provide information and answer questions. We encourage you to be fully informed before the next election and hope you will attend one of these informative meetings.
