After you click on this link a new webpage will come up for you and it will prompt you for a login and password (see below)

SKYWARD FAMILY and STUDENT ACCESSSM
BURLINGTON EDISON S D

Login:
Password:

[System Requirements - Screen Resolution / Web Browser](#)
Version: 03.07.02.02.02

Your login and password will be supplied by your school office staff. Please notify them if you lose your password or if your password does not work.

Family Access Screens and Information:

When you login successfully you will get a new screen (see below).

Your name and address will appear in the section covered with the black box and your child's name will appear at the top of the screen in the green section (if you have more than one child attending the district, there will be a drop down arrow to select another name)

The screenshot shows the Skyward Family Access web application interface. At the top, there is a navigation bar with the Skyward Family Access logo on the left, a 'Student:' dropdown menu, a 'School: BAY VIEW ELEMENTARY' dropdown menu, and buttons for 'Account Info', 'Print', and 'Logout'. Below the navigation bar, there is a 'General Information' menu on the left with links for 'Student Information', 'Gradebook', 'Message Center', 'Attendance', 'Schedule', 'Test Scores', 'Food Service', 'Activities', and 'Login History'. The main content area is titled 'My Account Information' and contains a 'Name:' field, an 'Address:' field (which is redacted with a black box), and an 'Email:' field. To the right of the 'Email:' field is a 'Change My Email' button. Below the 'Email:' field, there is a red error message: 'The district office does not have your email address. Please provide your email address by selecting the 'Change My Email' button, or mark the check box if you choose not to provide an email address to the district at this time.' Below the error message is a checkbox labeled 'Record no Address'.

Now you have access to check on various items for your child (see menu on the left side of your screen):

- Student information: addresses, phone numbers, etc.
- Gradebook: assignments, grades, missing assignments, etc.
- Message Center: an area where you can send and receive messages from your child's teacher
- Attendance: check on your child's attendance history
- Schedule: see what classes your child is attending
- Test Scores: lists state and district assessments your child has taken
- Food Services: shares the total your child has in their food service account to pay for hot lunches
- Activities: lists any extra-curricular activities for your child
- Login History: shares when you have logged in to check on your child
