

Restriction of Release of Directory Information Form

You must complete and return this form each year *only if you do not* want photos or directory information released about your student for specific purposes.

OPT-OUTS REMAIN IN EFFECT FROM SEPTEMBER TO AUGUST OF EACH SCHOOL YEAR FORM SUBMITTED.

Directory information can be made public without the consent of parents according to federal law (Family Education Rights and Privacy Act of 1975, 20 U. S. C. § 12132g.). Directory information that is not covered by the privacy law includes: a student's name, address, phone number, photo, parent's name, date and place of birth, major field of study, post high school career plans, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, type of awards received, and the most recent school attended by the students. Families have the right to restrict the release of directory information for certain circumstances. If you do not want directory information released about your student, please complete the form below and return it to your school's principal. This request for restriction is recorded in the student information system, and the form is kept on file in the school and district offices.

If no documentation is on file, it will be assumed that permission for release of "Directory Information" has been granted.

Please only check those circumstances when you **DO NOT** want "Directory Information" released.

HIGH SCHOOL ONLY

Please do not release directory information to military recruiters (for high school students only).

ALL STUDENTS

Please do not release directory information for parent group directory information purposes.

Please do not release directory information for any school-related publicity purpose or news coverage such as use in school and district publications or local or regional news media.

Please do not release directory information for any purpose.
